

Minutes from Arbor Day Planning Meeting Feb 7, 2008

Sandy agreed to have a teacher at all meetings. The teachers will rotate. 3 of the teachers will be out of office April 1-4.

Creating art projects will be a collective project the students will create with Ms. Erin. They will be sold at the Event. Costs to produce the art need to be decided. A strong interest is in having the art displayed outside.

Arbor Day Event vision: "Build true community." The earth supports us so we need to support the earth. The event will raise the awareness of ways we- parents, children educators can help to restore our earth.

The land Lipman is on was originally a Pecan Farm. Possible ideas were said to tie the Pecans into an activity. Memphis Heritage could give us more historical backgrounds on this.

Event Audience: Parents, children.

Lurene: will chair the PR committee

Activity idea: Brother Eagle Sister, read by Kindergarten.

No food will be sold at event.

Event will be from on Friday, April 25th from. 9-12noon. Earth Day activities will take place all week long. Rain date is April 26, Saturday. ????

Lisa McIndoo will organize Blurb info. For possible fundraiser.

Next meeting is set for Feb. 21, 8:20am.
